

Welcome to Happy Healthy Smiles!

River Cities United Way is excited to share the program for the first time at home. Usually the programs are done in the classrooms. Inside this package you will find your kit includes all sorts of fun activities to do over the next 10 days.

Start here! www.rcuw.org/hhsmiles2021/

Watch the video and have your smile bag ready to join in on the fun. Included in this package are:

1. Smile bags 😊
 - a. A smile bag for the **student**
 - b. A smile bag for the **adult** to participate too.
2. Fun activities for each day to practice with including a page to color, word search, good vs. bad for your teeth, connect the dots, puzzle, and your very own magazine.
3. Teeth brushing chart with 10 stickers to mark each time you brush your teeth for the recommended 2 minutes 2 times a day, morning and night using your 2 minute sand timer to keep track of time.
4. Dear tooth fairy letter to fill in the blanks and share your letter at kbh@rcuw.org
5. Resources for your family at home.

Don't be shy! Share your pictures or videos with us of your completed activities, brushing your teeth, your happy healthy smiles, or things that make you smile to help us show Delta Dental Foundation of Arizona why we appreciate their support and how we would love to continue the program. Did you know that almost 5,000 kindergarteners have gone through the program so far? Let's try to help 5,000 more! We are counting on you to be one of the newest members of the Happy Healthy Smiles Program. Don't forget to watch the links to videos about how to brush properly.

When you are done, we will send over a quick survey to find out what you liked and what you loved. At the end of the program each child participating will receive an award for joining the Happy Healthy Smiles Graduates of 20-21.
