

Virtual VITA/TCE Taxpayer Consent

This form is required when either the Intake/Interview and/or the Quality Review are not conducted in-person between the taxpayer and the VITA/TCE volunteer. The site must explain to the taxpayer the process used to prepare the taxpayer's return. If applicable, volunteers must advise the taxpayer of the associated risk of transferring their data from one site location to another site.

This site is using the following Virtual VITA/TCE method(s) to prepare tax returns:

- A. Drop Off Site:** This site uses a drop off process which includes the site maintaining personally identifiable information (Social Security numbers, Form W-2, etc.) to prepare the tax return at the same site but at a later time. In this process, the taxpayer comes back to the same site for the quality review and/or signing the completed tax return. The site must explain the method it uses to contact the taxpayer if additional information is needed.
- Note:** Sites where the taxpayer does not leave the site's property, for example waiting in another room or in a vehicle, are NOT considered drop off sites. Since the taxpayer remains at the site, they are not required to complete Form 14446. If the taxpayer leaves their tax documents at the site and then leaves the site's property for any reason, the taxpayer must complete Form 14446.
- B. Intake Site:** This method includes the taxpayer leaving their personally identifiable information (Social Security numbers, Form W-2 and other documents) at the site in order to prepare and/or quality review the tax return at another location. In this process, the taxpayer's tax return information may be sent to another location for one or more of the following reasons; interviewing the taxpayer, preparing the tax return, or performing a quality review. The taxpayer may come back to the intake site for the quality review or to review and sign the completed tax return.
- C. Return Preparation and/or Quality Review Only Site:** This site may receive returns from one or more intake sites to prepare and/or quality review returns. This site generally does not take walk-ins or appointments in their location.
- D. Combination Site:** This site prepares returns for other permanent or temporary intake sites and assists walk-ins and appointments in their location.
- E. 100% Virtual VITA/TCE Process:** There is no in-person interaction with the taxpayer and any of the VITA/TCE volunteers in this process, during the intake, interview, return preparation, quality review, and signing the tax return. The site must explain the virtual processes and consent. This includes the virtual procedures to send required documents (Social Security numbers, Form W-2 and other documents) through a secured file sharing system to a designated volunteer for review.

Part III: Taxpayer Consents:

Request to Review your Tax Return for Accuracy:

To ensure you are receiving quality services and an accurately prepared tax return at the volunteer site, IRS employees randomly select free tax preparation sites for review. If errors are identified, the site will make the necessary corrections. IRS does not keep any personal information from your reviewed tax return and this allows them to rate our VITA/TCE return preparation programs for accurately prepared tax returns. If you do not wish to have your return included as part of the review process, it will not affect the services provided to you at this site. If the site preparing this return is selected, do you consent to having your return reviewed for accuracy, by an IRS employee?

Yes No

Virtual Consent Disclosure:

If you agree to have your tax return prepared and your tax documents handled in the above manner, your signature and/or agreement is required on this document. Signing this document means that you are agreeing to the procedures stated above for preparing a tax return for you. (If this is a Married Filing Joint return both spouses must sign and date this document.) If you chose not to sign this form, we may not be able to prepare your tax return using this process. Since we are preparing your tax return virtually, we have to secure your consent agreeing to this process. If you consent to use these non-IRS virtual systems to disclose or use your tax return information, Federal law may not protect your tax return information from further use or distribution in the event these systems are hacked or breached without our knowledge. If you agree to the disclosure of your tax return information, your consent is valid for the amount of time that you specify. If you do not specify the duration of your consent, your consent is valid for one year from the date of signature.
